Project Description

This document describes the external design of the survey site. The web app facilitates the creation and participation of surveys. Below are the main functionalities:

For registered users:

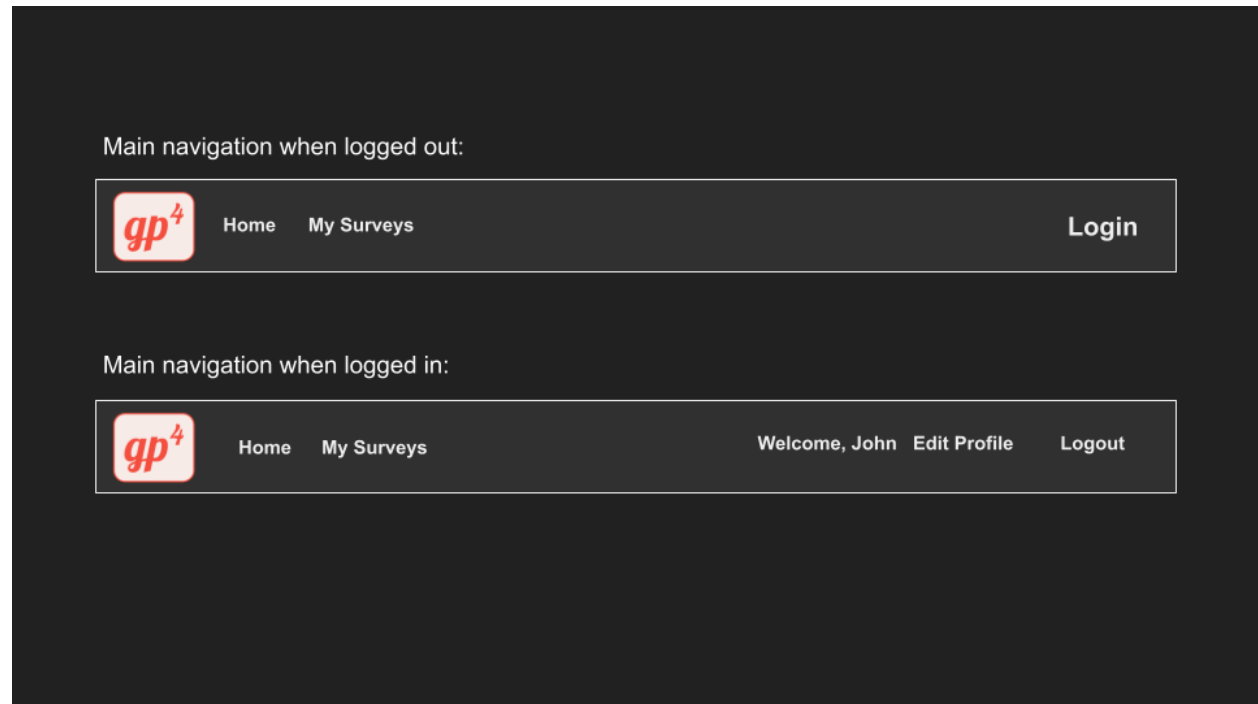

- Create Surveys
- View and Edit Survey templates
 - Add Yes/No questions to a survey
 - Add Short Answer (open-end) questions to a survey
- Manage statuses of My Survey (Created, Active, Close)
- Generate Survey Reports
- Export Survey Reports to CSV files
- Manage profile information

For anonymous users:

- View available surveys
- Participate in the surveys

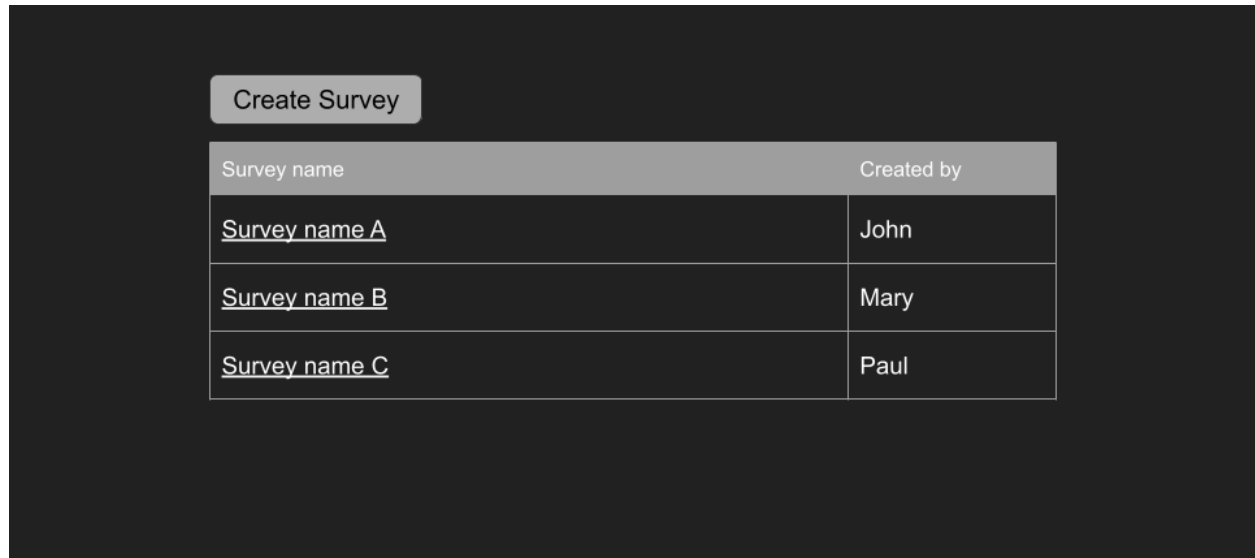

External Design by Page

Main Navigation

- Link to Home page
- Link to My Survey page
- Link to Login / Logout
- Logged in user can see their name and the “Edit Profile” link

Landing page

- User can view all available (ACTIVE) surveys created by his/herself or other users
- Survey names link to Take Survey page
- Click "Create Survey" button to create a new survey

Edit Profile

The image shows a dark-themed 'Edit Profile' form. At the top, the title 'Edit Profile' is displayed in white. Below it, there are three input fields. The first is labeled 'Username:' and contains the text 'Johnny'; this field has a light gray background, indicating it is disabled. The second is labeled 'Email:' and contains 'j@j.com'. The third is labeled 'Display Name:' and contains 'John'. At the bottom of the form, there are two buttons: a green 'Submit' button and a yellow 'Cancel' button.

Edit Profile

Username:
Johnny

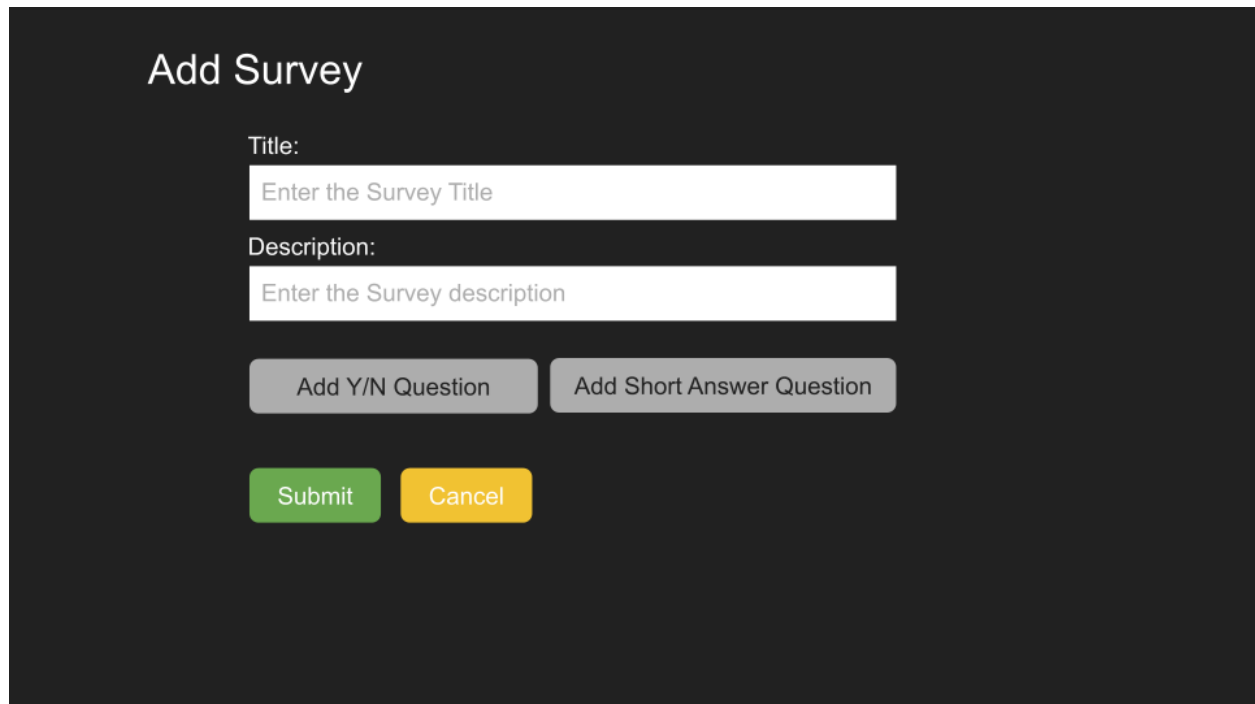

Email:
j@j.com

Display Name:
John

Submit Cancel

- User may change Display Name and Email.
- The Username is disabled and cannot be changed.
- The “Submit” button will update the profile.
- The “Cancel” button will lead to the landing page.

Add Survey Page (Create Survey)

The image shows a dark-themed user interface for adding a survey. At the top, the title "Add Survey" is displayed in white. Below it, there are two input fields: "Title:" with a placeholder "Enter the Survey Title" and "Description:" with a placeholder "Enter the Survey description". Under these fields are two buttons: "Add Y/N Question" and "Add Short Answer Question". At the bottom of the form are two buttons: "Submit" (green) and "Cancel" (yellow).

Enter the Survey Title

Description:
Enter the Survey description

Add Y/N Question Add Short Answer Question

Submit Cancel

- User may click "Add Y/N Question" or "Add Short Answer Question" to add some new questions. (Refer to "Add / Edit Survey: Question Inputs")
- Click the "Submit" button to submit and create a new survey with ACTIVE status.
- Click the "Cancel" button to cancel the operation.

Edit Survey Page

The screenshot shows the 'Edit Survey' page with a dark background. At the top, the title 'Edit Survey' is displayed in white. Below it, there are two input fields: 'Title:' with a placeholder 'Enter the Survey Title' and 'Description:' with a placeholder 'Enter the Survey description'. Under the description field, there is a green button labeled '{Publish | Close} Survey' and a blue-bordered box containing the text 'Survey Status: active'. Below these, there are two grey buttons: 'Add Y/N Question' and 'Add Short Answer Question'. At the bottom, there are two buttons: a green 'Submit' button and a yellow 'Cancel' button.

- User may click "Add Y/N Question" or "Add Short Answer Question" to add some new questions. (Refer to "Add / Edit Survey: Question Inputs")
- When the Survey has CREATED status, the "Publish Survey" button is shown.
- When the Survey has ACTIVE status, the "Close Survey" button is shown.
- When the user clicks the "Save" button, the updates including the questions and the Status will be saved.
- Click the "Cancel" button to cancel the operations.

Add / Edit Survey: Question Inputs

Add / Edit Survey (question inputs)

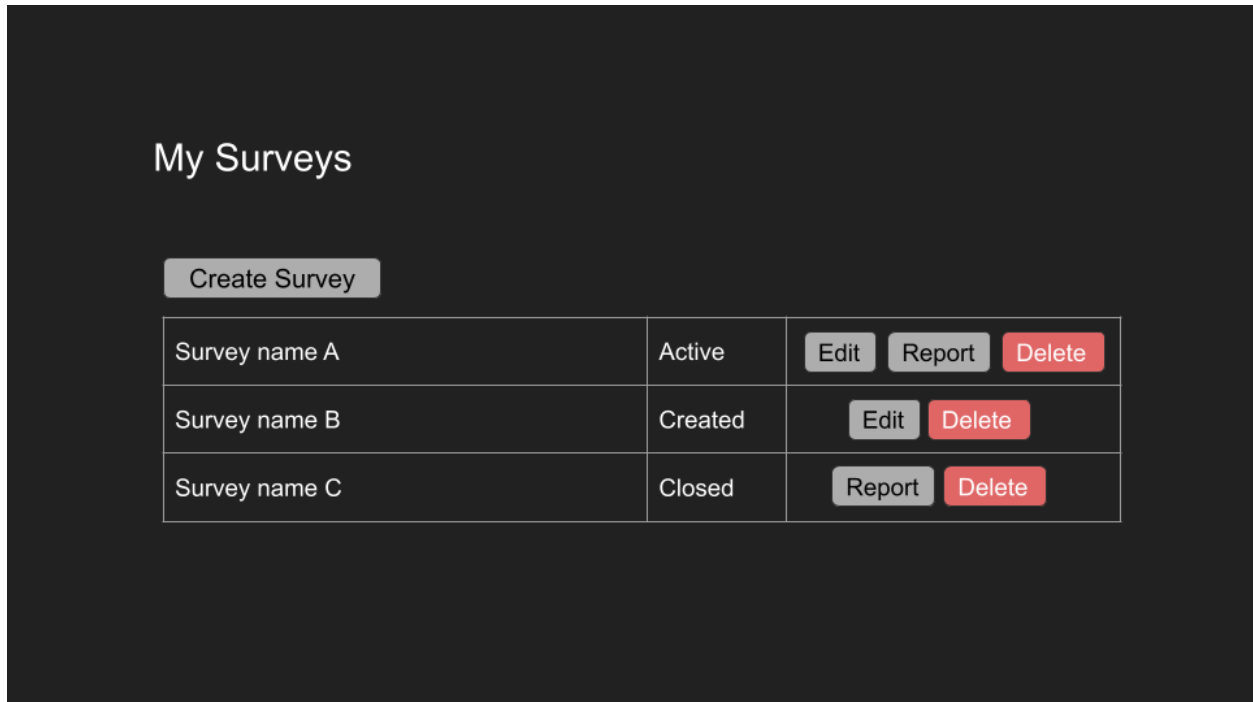

New Y/N Question:

New Short Q :

New Short Q :

- Click the “Add a Yes/No Question” button to add a Yes/No Question.
- Click the “Add a Short Ans. Question” button to add a short answer (open-end) question.
- New input fields appear when the user clicks the Add Question buttons.
- The user may enter question text.

My Survey Page (Edit / Delete / View Report)

- Click "Create Survey" to create a new survey
- Click "Delete" to delete a survey
- For CREATED and ACTIVE survey, allow the user to access Edit Survey page
- For ACTIVE and CLOSED surveys, allow the user to access Survey Report page

Take Survey Page (Participate)

Survey Title...

Created by: John
[Survey description] This is a survey about ...

Question 1:

Are you a current student?

☐ Yes

☐ No

Question 2:

Let us know how we can improve:

- Users enter their responses.
- No authentication is required for this page.
